- **Letter of Support for CLG Grant**

Consensus to approve a Letter of Support for the 2020/21 CLG Grant. The proposal is to create a booklet containing pictures & memories of historic downtown structures. We would work with a consultant to photograph & identify unique architectural features. We would interview long-time citizens who grew up in downtown Foley & create a walking tour booklet for all ages. We would keep the information simple enough for children but also informative for adults. We would also coordinate with Foley Main Street to share data. Foley Main Street is creating an app for self-guided tours.
