

## Erosion and Sediment Control Permit Application

Applicant Name: \_\_\_\_\_ Owner or Contractor

Telephone: \_\_\_\_\_ Email Address: \_\_\_\_\_

Address: \_\_\_\_\_

Building Permit Number: \_\_\_\_\_

Location of Construction: \_\_\_\_\_

Estimated Site Construction Area Square Footage: \_\_\_\_\_

An Erosion and Sediment Control Permit for residential dwellings and other small land disturbance activity which disturbs five hundred (500) square feet or greater but less than ½ acre (21,780 square feet) shall be required. The Erosion and Sediment Control Permit shall include submittal of the **permit application, a site plan, and a fee of fifty dollars (\$50.00)**. For single family and duplex residential land disturbance, the site plan shall include a minimum of two trees to be planted according to requirements. The site plan shall also include Best Management Practices that are adequate and effective in controlling pollutants, to include sediment, on site. At a minimum, all sites are required to install a construction entrance and detail permanent stabilization. When construction is complete and the site is permanently stabilized, the site is required to remove all temporary BMPs.

I further understand that failure to comply with such requirements within three (3) working days following notice by the City of Foley could result in a “Stop Work Order” or a citation for violation of the City of Foley Environmental Permit Ordinance.
