Tree decorating Schedule

*Decorating Begins: Monday, November 30 at 12:00 p.m.
*Decorating Concludes: Wednesday, December 2
*Judging: Thursday, December 3
*Winners notified: Before 5:00 p.m. Thursday, December 3

Tree Decorating Contest Rules and Guidelines:

All decorations should be securely attached to tree limbs so they will not blow off in the wind or rain. Please take into consideration that the decorations will be subjected to outdoor conditions for several weeks. Participants should select materials and decorations that can withstand wind, rain and other outdoor elements. Participants may display a sign stating the “theme” and identifying the business or organization. The primary contact person will be responsible for periodically checking the tree to ensure that decorations remain securely in place throughout the display period. If the

primary contact person is unable to perform this responsibility, please provide an alternate contact person on the application. The City of Foley is not responsible for broken, damaged or stolen decorations.

Participants may remove decorations from their tree starting Monday, December 28. All decorations must be completely removed from the tree no later than Thursday, December 31. Because these trees are replanted, it is extremely important ALL decorations, lights, zip-ties, string, tinsel, wire, or any other attached material be removed from the tree. Any decorations that are left on a participants tree after December 31 will be removed by the City of Foley and disposed of.

Important Award Ceremony Requirement

All winners are required to attend Christmas in the Park on Friday, December 4 at 6:00 p.m. to accept their prize. If you are unable to attend, please arrange for someone to attend on your behalf. The Mayor will present the prizes to the contest winners.

I have read and understand, and agree to comply with all of the Christmas in the Park Tree Decorating Contest Rules and Guidelines as outlined above.
